

Post Card Paris

Nov-1-1918

Dear Mother

Am here today on my way to an American base. Have been sent from the hospital but will have work for 2 months behind the lines and then examined again by the Medical Board.

On top of this today it is
700 years old, at one time was
used as a prison can well
like spring today

This shows some of the interest-
ing things here do not know
how long I will have to stay here
very pretty view
